

Firefighternearmiss.com—your virtual firehouse kitchen table.

It used to be that when you experienced a near-miss event, you would share it with your fellow firefighters around the firehouse kitchen table. Now you can share these experiences—and the lessons learned—with firefighters from around the country with **www.firefighternearmiss.com**

The National Fire Fighter Near-Miss Reporting System is voluntary, confidential, non-punitive and secure.

Visit www.firefighternearmiss.com to...

- **Submit a near-miss event so firefighters can learn from your experiences**
- **Read, learn and share information from near-miss reports**
- **Learn more about the National Fire Fighter Near-Miss Reporting System**
