FOUGHT WILDFIRES IN MONTANA

**What did Conrad Burns tell them?
"You're doing a piss-poor job."**

Conrad Burns.

Out of touch with Montana.

Putting our safety at risk.

They make \$8 to \$12 putting their lives on the line. They responded to 9/11. And they went 2,000 miles to Montana to save lives and property from a wildfire.

What did Conrad Burns tell these fire fighters? “You’re doing a piss-poor job,” he said. “See that guy over there? He hasn’t done a damn thing.”

Conrad Burns isn’t just out of touch with Montana – he puts our safety at risk.

Voted 16 times against funding for first responders¹

Supported legislation that exempted internet phone companies from 9-1-1 service²

Refused to fund Homeland Security programs that improve emergency communication³

Conrad Burns has been in Washington so long he’s lost his Montana values.
