Disaster preparedness: Don't wait until it's too late.

- Establish meeting places inside and outside your home, as well as outside the neighborhood.
- Learn basic first aid. Each family member should know CPR. The American Red Cross offers basic training.
- Food, water, and medications to last for at least 72 hours.
- Make sure everyone knows when and how to contact each other if separated.
- Store your supplies in a dry, cool place.
