HOW TO REQUEST AN

IAFF FLAG FOR ORGANIZING GROUP PHOTOS

Do you need an **IAFF Flag** for a group photo during an organizing campaign, to celebrate an organizing victory, or for an important New Recruit Class? Request one from the IAFF Organizing Department! All we ask is to send us a copy of the group photo for us to share.

1. Local president must email **join@iaff.org** requesting an **IAFF Flag** (copy your IAFF District Vice President) and include:
   - Local name/number
   - Shipping address (no PO boxes)
   - Requested delivery date (please provide more than 7 calendar days, if possible)
   - Brief description of purpose (e.g., organized new fire department, signed up new union members at new recruit class)
2. Send us a copy of the group photo with the IAFF Flag to **join@iaff.org** for us to share. Include:
   - Copy of group photo
   - Local name/number
   - Brief description of the group photo (e.g., newly organized fire department joins Local 9999)
3. Ship the IAFF Flag back to IAFF Headquarters (we include a return shipping label with the flag for you to use).
