

Darrell Roberts

Darrell Roberts is a 20-year veteran fire fighter with the Chula Vista Fire Department and is currently serving his fourth term as president of Chula Vista Local 2180. Under Darrell's leadership, Local 2180 passed a public safety sales tax to hire additional fire fighters, meeting NFPA 1710 standards for adequate and safe staffing. Darrell was elected to the San Diego and Imperial Counties Labor Council Executive Board in 2019, where he fights for all working people and their families. He was also selected as a District Field Service

Representative for the 10th District and as an IAFF Strategic Campaign Specialist supporting and serving affiliates across our great union.

Darrell rose through the ranks and is now a battalion chief and paramedic, serving as a rescue team manager for FEMA's Urban Search and Rescue California Task Force 8. He is also a qualified Strike Team leader and has been deployed across California fighting wildfires. Most recently, he was elected California Professional Firefighters 1st District Vice President, where he serves nearly 5,000 union fire fighters.
