

## **Dr. Lori Moore-Merrell**

---

Dr. Lori Moore-Merrell has served as president and CEO of the International Public Safety Data Institute since 2019. She previously spent 26 years as a senior executive at the International Association of Fire Fighters (IAFF), responsible for frontline interaction with elected officers, executive board members, state, provincial and local leaders, as well as individual organization members throughout the U.S. and Canada.

Lori is an expert in executive leadership, emergency response system evaluation, public safety resource deployment, community risk assessment, data collection and analysis, strategic planning, costs and benefits analysis, advocacy, consensus building, and policy development and implementation. She is a member of the International Fire Service Training Association (IFSTA) Executive Board, as well as the UL Fire Council, and has served on the Public Safety Committee of the Transition Teams for both the Mayor of New York City (2013) and the Mayor of the District of Columbia (2015).
